PRINCIPAL’S REPORT
Winter has well and truly hit, so students will require appropriate uniform pieces to cope with our cold, wet weather. Jumpers worn all day must be plain, navy blue; but jackets that are worn outside can be any style/colour, as they are taken off once students get into the school. If your child is unable to wear correct uniform, we would appreciate a note of explanation on the day.

Cathy Gunn organised for the Year 7 and 8 students to spend a day last week in Albury/Wodonga, visiting the library museum and the art gallery. Students participated in workshops as well as having a tour. They also had time to look around themselves and at the artworks on display.

Our VCE students have had the GAT and their mid-year practise exams this week, with Semester 2 units starting on Tuesday. The Year 7 -10 students continue in their current subjects until the end of this term and swap to new ones next term.
HOMEWORK

Homework is a weekly or fortnightly task. Students are expected to hand in homework on the due date. Unsubmitted homework, after one period’s grace, will result in detention until the work is completed. It is a student’s responsibility to collect homework if you have been absent. You can ask your teacher for the task. NB: Students may receive other homework as necessary for other subjects.

ASSISTANT PRINCIPAL’S REPORT

Dear Parents,

Now that the VCE students have finished their exams and completed Unit 1 or Unit 3, they will go ahead next Tuesday with the start of the second semester’s work.

Year 7 to Year 10 students will start Semester 2 subjects next term. They will be given a hand out of the subjects that they have chosen. This is just in case they have lost the list that they were given at the start of the year.

Year 11 parents are reminded of the meeting on Wednesday 22nd June at 7pm in Room 9. Staff will give students and parents a few tips on how to survive the VCE years and how to cope with the demands of the workload. We would like to work with parents to help students meet their potential to achieve entry into apprenticeships, university or whatever work option best suites them.

Cheers
Rhonda Gargan

BEACH CAMP 2016

The beach camp is on again this year during activities week. Planning is well under way with a change of venue so that those year 10’s who went in 2014 can still have a different beach experience this year. The camp is going to be based at Torquay, camping at the Foreshore Caravan Park.

Activities will include:
- surfing, surf kayaking, bike riding between Torquay & Anglesea
- general beach activities at Torquay, Lorne and Geelong
- walking to Erskine Falls near Lorne
- explore the surf retail outlets at Torquay

The cost of the camp is reasonably high because of the activities and transport, hence the early notice so that families can start planning and saving.

Date:  Tuesday 13th – Friday 16th December
Cost:  $350

Numbers are capped at a maximum of 24 students. We need to know names of students as soon as possible so paperwork and planning can be completed. Anyone interested should pay a deposit of $100 by the end of July.

If you need more details please contact Ann Bellingham at school.

MOST LIKELY TO SUCCEED DOCUMENTARY FILM

It explores the importance of developing critical and creative skills of children to better prepare them for advances in technology, automation and the future of work.

It’s an inspiring film aligned with ACRE’s role of moving young people from job-seekers to job-creators and working with schools across the north east of Victoria to pilot new approaches to education that prepare children for the changing face of employment.

MAKE A DIFFERENCE IN THE LIFE OF A CHILD

Every day, foster carers with UMFC make an incredible difference to children who are unable to live with their own families. Foster carers can be single, married or partnered, they may own their own home or rent, they work in or way from their homes, some have children some don’t.
Some of our carers provide respite care one weekend a month, while others prefer to care for children in emergency or short term placements.
Foster carers need a commitment to children, a willingness to undertake training and assessment and the eagerness to give it a go. Training and 24 hour support is provided. Carers receive a non taxed reimbursement.
Our carers tell us that the good times far outweigh the tough, and their lives are enriched as they help a child move toward reaching their potential.
UMFC is currently seeking foster carers in your region. For more information contact Jeanine on 02 60055 8042, our see our Facebook page or www.umfc.com.au
