PRINCIPAL’S REPORT

It was a short week for students, but staff were busy on Monday planning for next year and documenting the curriculum. The school was successful in its application for the Building Resilience in Schools funding and a portion of the funding had to be used to administer and collate the results of the student survey, which was completed in September. The remaining funding will help implement the Building Resilience in Schools Program, starting next year and will be run on a fortnightly basis as part of an extended form group meeting. If you have any questions about this program, please contact Jenny Farrington, Student Wellbeing Coordinator.

I was pleased to attend the Advance (CFA Youth Crew) graduation ceremony this week at Tallangatta, where Cathy McGowan had been invited as a guest speaker. This program has been running for 18 years at the College and the two year program provides students with training in the CFA Minimum Skills program and First Aid. Students also develop leadership, teamwork, communication and problem solving skills, resilience, respect, a ‘have a go’ attitude and an appreciation of volunteers and volunteering. Cathy mentioned that the qualities of leadership, courage to try things and caring for your community were part of the program. 6 students from Year 10 completed the 2 year program and graduated this year. They are all encouraged to join their local CFA brigade; however, the vast range of skills they have learnt during this program will be able to be used in many other areas of their lives. This year’s winning youth brigade in the CFA fire-fighting skills competition was Bolga 10. Congratulations to all participating students.

Shaun Thorpe (Advance coordinator) with the graduating students, Logan Warne, Tallon Smith, Marvin Smith, Tom Robinson, Katerina Trnka and Ryan Barker. Congratulations on your commitment and hard work.
Homework is a weekly or fortnightly task. Students are expected to hand in homework on the due date. Unsubmitted homework, after one period’s grace, will result in detention until the work is completed. It is a student’s responsibility to collect homework if you have been absent. You can ask your teacher for the task. NB: Students may receive other homework as necessary for other subjects.

**ASSISTANT PRINCIPAL’S REPORT**

Dear Parents,

**End of Year Activities- December 7th -14th**

The End of Year Activity information has been given out to students. All forms and money need to be returned to the General Office by Friday 20th November. Some activities have a limit on numbers and are filling quickly. Don’t forget that you can use your CSEF grant money that the school holds on your behalf of your students, to help pay for any of the excursions.

Students are offered a wide variety of activities from active walks and mountain bike riding to creative or passive activities.

Students from Year 7to 9 are expected to come to school until Picnic Day on Tuesday December 15th. Any absences will still need a note of explanation. If you have any queries about this please ring me on 57544005.

**Buddy Day at Outdoor School- Bogong – Nov 16th**

Parent Permission forms have been given out this week to Year 9 students. The forms should be returned as soon as possible. This is always a fun day where Year 9 students are paired up with a Year 6 buddy for the day.

**Picnic Day- Tuesday December 15th**

This is the last scheduled day for all students and we traditionally head up to Bogong Village for the day. Students enjoy walks, fishing, canoeing, cricket or just relaxing. This activity is free because Falls Creek Coach lines have been generous and provided a free bus to our school community. Please note that if Tuesday 15th is a risky weather day, we change to the venue to Mountain Creek or a safe alternative.

Thankyou,
Rhonda Gargan
Assistant Principal

**2016 FUTURE MAKERS**

Current Year 8 students and their parents/carers are invited to an information session about the 2016 Future Makers Programme. This will be held in the Jessie Hollonds Studios, Tuesday 17th November at 7pm. A letter will be given to students next week with further information.
SECONDHAND BOOK SHOP WILL RUN FROM THE GENERAL OFFICE

If you have any text books on the list below to sell, or you wish to purchase, please see the office staff during RECESS or LUNCHTIME. If you wish to sell, bring the book with an envelope attached- your name and the price written on the envelope. The texts must be the same name, version/edition, and ISBN number otherwise they are NOT suitable for 2016.

BENDIGO BANK SCHOLARSHIP

Going to Uni for the first time in 2016? The Kiewa Mitta Murray Community Enterprises Limited has set up a scholarship valued at $5000/annum in memory of David Harley. Applications are invited from eligible students in the local district attending university for the first time in 2016. Applications open Tuesday 1 December 2015 and are online only. Drop into your nearest branch at 28 Hollonds Street, Mount Beauty (ph 03 5754 4484) or visit bendigobank.com.au/scholarships for more information (available from December 1).

ARTS AND MUSIC SUMMER SCHOOL

The Victorian College of the Arts & Melbourne Conservatorium of Music’s Annual Summer School Program is back!

The Faculty of VCA and MCM at the University of Melbourne enables students to engage in the practical arts at the very highest level. Taught by leading industry experts, our Summer Schools are a great way to deepen understanding, grow confidence and have fun.

Available in:
- Theatre, Music Theatre, Film & TV, Pop Song Writing, Dance, Musicianship, Visual Art and Gaming.

Summer Schools are either three or five days long and take place between 11 – 22 January 2016.

Places are limited. See Ms Bellingham if interested

YEAR 10 WORK EXPERIENCE

Reminder to students who are NOT involved in Band Week (30 Nov – 4 Dec) that it is Work Experience week for Year 10s. If you need to access paperwork please see Ms Bellingham or go onto the website – www.mtbeautycareers.com. There are lots of students with good ideas but you need the paperwork to cover Work Safe and Public Liability Insurance. This does take time.

It’s only four weeks away so you need to get organised!!
See Ms Bellingham if you need assistance.
By the time you graduate from a degree or an apprenticeship, there will be many new jobs that haven’t even been invented yet. Technology expansion is rapid and who knows what jobs will be advertised in 10 years time, let alone 50?

According to a La Trobe University video featuring their Bachelor of Arts degree, by 2030 2 Billion jobs will be obsolete, http://bit.ly/1MBqTWO

They will be replaced by ones that don’t exist yet. The video also suggests you will have approximately 10 careers in your life time. This doesn’t mean changing employers 10 times, this means different occupations. So, you may start out as a builder and then move on to teaching and then to nursing.

The message of the video is that you have to be able to adapt as the world changes. You will need to continually work on developing your personal skills (e.g., communication, team work, problem solving). You will also need to commit to lifelong learning to have up to date skills and to be competitive in the job market.

So you may complete a university degree, then a TAFE qualification, then short courses, then a graduate university course and then more short courses.

There is no right or wrong way of doing things, but you need to be flexible and adaptable when it comes to change, because if there is one thing you can be 100% sure of, there will be lots of it.

Just remember that it wasn’t so long ago that Facebook didn’t exist, we couldn’t access the internet via our phone, mobile phones were the size of bricks and blue tooth didn’t exist. Apprenticeship, TAFE and university courses will evolve and develop as technology and our society evolves. All jobs will be affected and will either become obsolete or undergo significant changes.

The future is very bright and the world is certainly your oyster! Whilst in school, it is crucial that you engage in your studies and keep an open mind about the future. What you aim to be doing in even 5 years, may not be what you will actually be doing. Just remember the mantra- change is constant and access your allies to assist you to navigate through your career.

---

**CERTIFICATE II HOSPITALITY**

Attention school leavers, if you are looking for casual, part time or full time work when you finish school then enrol into our Summer School program - SIT20213

**Certificate II in Hospitality.** This course will be hosted by the Neighbourhood Centre and will offer blended learning (face to face & online) and includes these industry recognised units of competence:
