PRINCIPAL’S REPORT
School seems to be winding down, with the Year 12s already starting their exams and only 4 weeks left for the Year 11s; the staff are not slowing down yet, but continue to strive to get the best out of their students. Monday’s Curriculum Day will see the whole staff working on preparing for the implementation of the Victorian Curriculum next year. Year 7 staff will also be working on the curriculum for the new Year 7 program, where students will be able to try out more of the Arts based subjects that they currently don’t have an opportunity to try until Year 8.

The Art and Design Exhibition was a huge success. Congratulations to Kim Lane; and to Lachlan, Lydi and Maddy who helped put the show together.
Homework is a weekly or fortnightly task. Students are expected to hand in homework on the due date. Unsubmitted homework, after one period's grace, will result in detention until the work is completed. It is a student's responsibility to collect homework if you have been absent. You can ask your teacher for the task.

NB: Students may receive other homework as necessary for other subjects.

Immunisations

Just a reminder that Year 7 students will be having their final immunisation on Monday 21st November. If your child is feeling nervous about the process please give us a call.

Dear Parents,

Please put the following date in your diaries.

Year 10 parents VCE Information Meeting- November 29th

Our year 10 students will be making the transition from the work demands of year 10 to the more rigorous work program of VCE. We don’t expect them to compromise commitments to their sports, music or their work engagements.

What we would like to help them with and to become more efficient at using their available time; collectively support them to achieve their broader academic goals and continually develop as individuals. With a few tips from teachers and more communication with parents we feel that students will be better prepared to cope with the workload of Year 11, Year 12 VCE or VCAL. In the past students have found the expectations and workload of Year 11 quite challenging, so hopefully being more prepared will help reduce the stress.

We are pleased to see how well our Year 12 students are coping with their exams but if you need any support at this time please contact Jodee Betheras at school so we can help out.

Thankyou

Rhonda Gargan
THE FLYING DOCTOR DENTAL PROGRAM VISITING MOUNT BEAUTY SECONDARY

The program is a collaborative agreement between Australian Dental Association Victorian Branch (ADAVB), Dental Health Services Victoria (DHSV) and RFDS Vic to provide dental treatment to rural and remote Victorian communities.

The Flying Doctor Dental team are able to provide Free dental check-ups and education about healthy teeth and gums to students on Monday 14th November, from around 1.30pm.

After students have their dental check-up, the team will send home a report. If they require follow-up treatment they will state this in the report and detailed treatment options including the Flying Doctor Dental Clinic. The Flying Doctor Dental Clinic (mobile treatment vehicle) will be in town from Monday 14th to Friday 25th November, and eligible students can have their treatment done in the clinic.

CFA GRADUATION

Please note there has been a change of date for the last CFA day of the year including the graduation ceremony of the current Year 10 Junior CFA member. This will now be Friday 4th November at Tallangatta Secondary College.

The CFA camp for current Year 9 members will be held from Wednesday 7th December to Friday 9th December.

SECONDHAND BOOKS

The office will again be running the second hand book shop. If you would like to sell any school books that are on the booklist (coming home soon) please feel free to drop it in with an envelope with your name, phone number and price you would like. For books in excellent condition the asking price is usually about 75% of the new price, good condition 50% and ok but a bit scuffed 25% or less.

Give us a ring or call in, 5754 4005.

SCHOLARSHIPS

APPLICATIONS NOW OPEN FOR 2017 FRANCIS GREGORY FOUNDATION SCHOLARSHIPS

The Francis Gregory Foundation provides scholarships of $6000 per year, for the duration of an undergraduate degree, to a student undertaking University study. The student must currently be in Year 12 and be from a farming family, whose main income is derived from primary production.

For further information, including eligibility criteria and application forms, please email: info@francisgregory.org.au or Phone: 0356254177

Applications close on December 24, 2016.

ARMY LOGISTIC TRAINING CENTRE CAREERS DAY

Saturday, 12th November 2016

10am - 3pm

South Bandiana, Victoria

From Command Support Clerks to Health Care and Logistic trades, there are many different roles to explore across the Australian Army.

Come along to the Army’s premier trades training establishment at the Army Logistic Training Centre for our Careers Day in South Bandiana. You’ll see practical demonstrations of Army trades, including electrical and mechanical engineering, medical and driver careers plus all of the administrative and logistic trades.

The Army Logistic Training Centre trains soldiers in combat service support roles and is located on the VIC/NSW border near Wodonga.

Everyone is welcome to attend and the event is free. No RSVP required. Click here to find out more.

Year 12 EXAMS

VCE exams will be happening every day until 16th November in the TAFE buildings on the pondage side of the school. It would be appreciated if all noise could be kept to a minimum during this period.
TRIVIA NIGHT

A night of deadly trivia...
Who will be the last man standing?
Can you avoid the Grim Reaper till the end?

- Refugees and asylum seekers — FREE
- Aboriginal and Torres Strait Islander peoples—FREE
WHAT HAS HAPPENED?

A great part of learning about learning a different language is that you also get to learn about the culture – including the delicious food! Jodee Betheras always hosts an Indonesian lunch with the help of her students.

The Year 9 Future Makers got their hands dirty planting trees on the cleared river banks in Simmonds Creek Road, as part of National Tree Planting Day. The students assisted the Green Army and were treated to a BBQ lunch catered for by the Lions Club. The day was postponed from the end of last term, due to the flooded river conditions, but they had lovely conditions on the day. Thanks to Esther Bottomley, as the Future Makers Liaison Teacher, and Jarrod Policha for accompanying the students.

Some of our Cross Country runners.

A sample of some mixed-media art works, using painting and various stitching techniques.
