PRINCIPAL’S REPORT

Welcome back to Term 4, the last, but by no means easiest, term. I hope everyone had a restful break and that even if you were working hard, the break from regular routine was enough to allow the batteries to recharge.

We wish the Year 12s all the best in their last 2½ weeks of their high school education and hope that they can look back on the efforts they have made over the past 6 years with fond memories and a feeling of pride for what they have accomplished in their lives so far.

Le-Anne McCraw’s Fairytale to Entrails class is having a great time learning a variety of theatre skills.
Homework is a weekly or fortnightly task. Students are expected to hand in homework on the due date. Unsubmitted homework, after one period’s grace, will result in detention until the work is completed. It is a student’s responsibility to collect homework if you have been absent. You can ask your teacher for the task.

NB: Students may receive other homework as necessary for other subjects.

### ASSISTANT PRINCIPAL’S REPORT

Dear Parents,

Mount Beauty Secondary College would like to give a big thankyou to the Bendigo Bank for sponsoring the greenlight- youth driver education course for our Year 10 students. This program usually costs $360 per person but will be free to our students because of the generosity of our local Bendigo Bank branch.

Facilitated by the driver education provider, Motorvation Mobile, Greenlight is an entertaining and informative one-day program designed to fit easily into school hours and curriculum.

Catering for up to 25 students, Greenlight includes discussion sessions, computer modules and practical driving sessions using Motorvation’s state-of-the-art driving simulators.

Greenlight sessions cover a range of topics, including:
- What’s your on-road personality and how does it affect your driver safety?
- Why is overconfidence deadly and what can you do about it?
- How do you prevent and control skids?
- What do you do in an emergency?
- How do you keep your car in a safe condition?
- What is panic and how can you control it?
- How do you drive defensively?

On Thursday 22nd October the Greenlight bus will be parked near school. It not only educates young people about aspects of driving, it also contains a driving simulator for students to experience.

Thankyou,
Rhonda Gargan
Assistant Principal
