PRINCIPAL’S REPORT

Parent – Teacher Interview appointments fill up quickly this semester, as we are only able to hold interviews after a whole school day, due to not being able to have an extra student free day. If you have been unable to book a time and would like to speak with your child’s teachers, please contact the Year Level Coordinators who will assist this to happen. Attending parents will be asked to complete a short survey and there will be a small ‘thank you raffle prize’ for one parent, who will be notified with a call by the end of the week and announced in the newsletter.

TS03 Puppet Schmuppet class have been busy making cylinder and newspaper puppets.
**HOMEWORK**

Homework is a weekly or fortnightly task. Students are expected to hand in homework on the due date. Unsubmitted homework, after one period’s grace, will result in detention until the work is completed. It is a student’s responsibility to collect homework if you have been absent. You can ask your teacher for the task.

NB: Students may receive other homework as necessary for other subjects.

### ASSISTANT PRINCIPAL’S REPORT

Dear Parents,

**Interim Reports** are used twice a year to help parents and students receive feedback on the students’ progress. These will be handed out at **Parent/Teacher Interviews on Wednesday 14<sup>th</sup> September at 4pm – 7pm**. If you have missed out on an Interview Time please give school a ring on 57544005 and ask your Year Level Co-ordinator to follow up with on your son or daughter’s progress.

Another date to put in your diaries is for: **Middle School Information night on Wednesday 12<sup>th</sup> October at 7pm.**

This is an important meeting that not only helps Year 7 parents understand our middle school subject selection process but also helps Year 9 student understand their options for Year 10 and acceleration into VCE.

Term 3 finishes next Friday at 2.30pm and we would like to thank all families for their help in supporting school. Our students have achieved many outstanding achievements this term. There are too many students to mention individually but some have won music awards in Melbourne, others skiing races or athletic championships.

We would also like to wish good luck to the 5 Year 10 girls who are heading off on the 21 day Summit to Sea adventure from Mt Kosciosko to the Snowy River at Marlow. These are Emily Barnes, Sophie Hodge, Brianna Oldis, Millie Smith and Ella Gould.

Thankyou

Rhonda Gargan
**FREE DRESS DAY**

Next Friday, September 16, is a free dress day with the theme of Spring. Students are to come dressed in their most colourful/floral attire to celebrate the beginning of the warmer weather. If students do choose to come to school out of uniform they are also required to bring a gold coin donation to go towards our sponsor child Omi N'Day Huka.

School finishes at 2.30pm.

**HALOGEN FOUNDATION**

The Halogen Foundation 'exists to inspire and influence a generation of young people to lead themselves and others well'. Halogen has hosted youth development programs for many years which are aimed at inspiring the youth of today to be the leaders of tomorrow.

Each year, inspirational speakers such as Olympians, media personalities, disability advocates, musicians and those involved in community service provide a springboard, via the 'The Imagination' conference, for young people to develop their leadership potential.

Mount Beauty Secondary College will send a team of 12 students to 'The Imagination' conference in Melbourne on November 7th 2016. This fantastic opportunity to begin to develop leadership potential is open to all of our secondary students. Students who wish to be considered for the MBSC team should immediately express their interest to Ellen Sadler.

More information can be found at the Halogen Foundation website www.halogen.org.au or by contacting Ellen Sadler at the College.

**VCE ART AND DESIGN EXHIBITION**

VCE Studio Art students have one week left to complete their two major art works. Conor Sault is painting with resin, which requires careful preparation, patience and some restraint as it is so much fun it is hard to resist over working the medium. Bridget Lane is using flexible gap filler to apply a life like wrinkled skin to her black rhinoceros sculpture. Rachel Abbott is working with pressed flowers and Perspex. I hope you are planning to come and see the fantastic final artworks. The students are proud of their work as it represents approximately 160 hours of planning, trials and making.

The Exhibition will be a showcase of a year of hard work and wonderful creativity.

Exhibition opens on Thursday 13th of October evening at 7:30 in the Jessie Hollands Studio.
