PRINCIPAL'S REPORT

This has been a much shortened week, with the Queen's Birthday long weekend on Monday and report writing day on Friday. Some amazing academic achievements of our students include: Jess Powell being successful in her application for a fully subsidised place at The University of Melbourne's Winter School program, worth \$1700. She will spend a week at the university meeting sports people, practicing leadership qualities and learning about sports and management, the field which Jess is aiming for. Tyler Carmeni completed Year 12 last year and was recently awarded a Premier's award due to earning a perfect score of 50 in Information Technology. Congratulations to both students.

Here are some long awaited photos from the school production 'Disorder in the Court'.

Unsubmitted homework, after one period's grace, will result in detention until the work is completed. It is a student's responsibility to collect homework if you have been absent. In their reports will be handy tips on how each individual student can improve. Hopefully students will make some good use of this information over the holidays. Year 7 to Year 10 reports are handed out at the start of Term 3. We find that then the feedback that is given to these students is more effectively put into practice for the coming new semester.

Thankyou to all parents for supporting our school uniform policy and providing notes when items are in the wash or wet. If anyone is in need of uniforms please drop by to see if we can help. We have a number of navy winter fleece tops available for students now that the weather is cooling down. Please make sure you label your child's clothing (especially jumpers) so we can return lost property to them.

Thankyou,
Rhonda Gargan
Assistant Principal

2015 SNOW TREK AND TRAVEL WODONGA'S MINI SERIES

Telemark Nordic Ski (TNSC) are a ski club based in Albury /Wodonga and organise a series of cross country ski races for children held on snow at Falls Creek.

Our aim is to increase the number of children/families participating in the sport of cross country skiing and demonstrate skiing in the snow is fun for all ages.

Over the past two ski seasons TNSC has re-introduced the mini-series of children's ski races, four races in total held (snow permitting) over June, July and August. Our races are sponsored by a local outdoor business, **Snow Trek and Travel Wodonga**.

TNSC first organised the Mini Series back in 1989 and saw numbers grow up to 248 junior skiers participating. The Mini Series has been a platform for junior skiers to go onto interschool competitions, state and national teams, and even World Championships and Winter Olympic Games representation, not only in cross country skiing but other sports such as mountain bike riding. The Mini Series is open to novice skiers to state development skiers who are under 19 years of age. Our youngest competitor last year was 4 years of age.

Entry is \$5.
