PRINCIPAL’S REPORT
The end of the term has finally arrived, after 11 weeks of hard work by both students and staff. Reports will be given out at the end of Friday. Parents and students are encouraged to discuss the reports together, as they may give students suggestions on areas for improvement, as well as general feedback on their semester 1 achievements. Next term will be another big one, with the ski program starting in Week 2 and students looking towards 2016 and subject choice. I hope that everyone has a safe holiday and rejuvenates, in preparation for the start of next term on Monday, 13th July.

Michael Laws has been taking Le-Anne McCraw’s drama class in her absence and invited Toni Main, a drama workshop director from Melbourne, to visit and run some activities with the class.

Thanks to everyone who participated in the casual dress day on Friday, with the (somewhat hopeful?) theme of winter. Thank you also for the generous donations made by students and families, with obviously more than just a gold coin donation being given. The money that was raised was collected for April Rollins. It will help to cover the expenses associated with moving to a new school, such as uniform, books etc. The money will be deposited in her school’s account, once that decision is finalised. We are thinking of April and her family at this sad time.

Jonathan Serpell’s PH82 Space Science and Rocketry class finally launched their modified hot air balloons.
HOMEWORK

Homework is a weekly or fortnightly task. Students are expected to hand in homework on the due date. Unsubmitted homework, after one period’s grace, will result in detention until the work is completed. It is a student’s responsibility to collect homework if you have been absent. You can ask your teacher for the task.
NB: Students may receive other homework as necessary for other subjects.

ASSISTANT PRINCIPAL’S REPORT

Dear Parents,

Reports.

All students from **Year 7 to Year 12** will be taking home their reports today. Congratulations to the majority of students who have worked to the best of their ability and completed a sensational semester’s work. The Year Level Co-ordinators use the results from these reports to identify students who need extra stimulus material in class and need extra challenges. We also use them to identify students who may need some more support either academically or with their organisation.

Thankyou,
Rhonda Gargan
Assistant Principal
STUDENT AWARDS

The VC06 class was given the opportunity to design a new sign for the Neighbourhood Centre earlier this term. As a class, we figured out the audience, purpose, client and context in the design brief. The class walked over to the Neighbourhood Centre for a short presentation and morning tea earlier this week. The three winners were Madison Ryder, Ryan Barker and Hailey Lemin, each scoring a $20 gift voucher for the Bright cinema. The new design will now be printed and used at the front of the Neighbourhood Centre.

EXPERIENCE THE OUTDOORS

Experience what it’s like to be an Outdoor and Environmental Education student at La Trobe through our September School Holiday Program.

This 5 day program is available to Year 10, 11 or 12 students where they will have the opportunity to experience the outdoors and natural environments by choosing either climbing and bushwalking or paddling and bushwalking over several days and nights.

Dates: Monday 28 September to Friday 2 October  
Location: The camp will begin and end at our Bendigo Campus  
Cost: $100 per student includes food and most equipment  
For more info or to book visit our website.

Our Outdoor and Environmental Education Department is internationally recognised for its innovative approaches to education, teaching and research. Located at the Bendigo campus, the Outdoor and Environmental Education Department provides a unique, well-supported learning community in a beautiful natural setting.

Students can also get a taste for our Outdoor Education courses at our upcoming Experience La Trobe in Bendigo in our 'Outdoor, Environmental and Physical Education' workshop in Session C.

CFA DATE CHANGES

There have been a couple of date changes for parents to put in their diary. The Mt Beauty CFA day was changed from Tuesday 16th June to Tuesday 14th July. The Tallangatta CFA day will be changed from 27th July to Monday 3rd August.

BULK BILLING FOR SECONDARY STUDENTS

Mount Beauty Medical Centre has kindly offered to bulk bill all students regularly attending Mount Beauty Secondary College regardless of their age (with the proviso being that they don’t smoke). This was available to any child under 16 previously, but now students in Year 11 and 12 are able to attend an appointment with no out of pocket expense. We would like to extend our thanks to the Medical Centre for this generous offer.

For appointments please ring 5754 3400.

ADFA ROADSHOW INFORMATION SESSION 2015

YOU’RE INVITED!

Defence Force Recruiting would like to take this opportunity to invite you to an ADFA information night at the Defence Force Recruiting Centre in Albury. This evening will provide you with an overview of life at ADFA, details about the lifestyle and training ADFA has to offer, and also an explanation of the recruitment process.

ADFA Commandant, Air Commodore Alan Clements and UNSW Deputy Rector John Arnold will be available to answer questions.

Date: Wednesday 8th July, 2015  
Time: 6:30pm start  
Location: 550 Kiewa Street, Albury NSW 2640  
Dress: Smart Casual  
RSVP: Monday 6th July 2015  
Phone: 02 6051 4999

Positions are very limited for this session so reservations are essential.

Please email cptalbury@dfr.com.au to book your seat or call 026051 4999.

We hope to see you there!

*Please note: this invitation does not serve as an indication that you will receive a Letter of Offer, or a position at ADFA, and acts purely as an information session for you to gain further insight into ADFA.
ADF GAP YEAR

We have just had confirmation that the Gap Year will reopen for current or past YR 12s to apply to do a Gap Year with the ADF in 2016.

At this stage the Gap Year will reopen between 17th July and 31st July 2015.

WHAT’S BEEN HAPPENING?

Some of Sue Tilley’s BI81 Junior Biology students lacked a bit of enthusiasm when it came to dissecting sheep brains.

Just a small sample of Textile and Woodwork students, and some of their wonderful creations that they can take home.
