PRINCIPAL’S REPORT

Parent-Teacher Interviews took place on Wednesday evening and it was great to see so many families in the school. Interim reports, which were given out on the night, will be posted home to families so they can see how their students are progressing so far this semester. If you have any questions or concerns regarding your student’s progress, please don’t hesitate to contact the Year Level Coordinators as a first port of call. It is much easier to address potential issues now, with a term to improve, rather than wait. The coordinators are Jodee Betheras (Year 12), Ellen Sadler (Year 11), Heath Matheson (Year 9 and 10), Jarrod Policha (Year 8) and Jonathan Serpell (Year7); or please get in touch with Rhonda Gargan or myself. Thank you to the parents that completed the short survey. Congratulations to Angela Toniolo on winning the small thank you prize.

Last Wednesday, Corryong hosted day 6 for the Advance CFA Youth Crew. Many skills were practised and fortunately it was a fairly sunny day, making getting wet not as bad!

The debutante ball will be held this Saturday; the debs will be presented to Ken and Liz Harvey. We wish the debs and their partners all the best for a successful night. We hope the night will be enjoyable for the families involved and look forward to seeing photos of the night.
Homework is a weekly or fortnightly task. Students are expected to hand in homework on the due date. Unsubmitted homework, after one period’s grace, will result in detention until the work is completed. It is a student’s responsibility to collect homework if you have been absent. You can ask your teacher for the task. NB: Students may receive other homework as necessary for other subjects.

### ASSISTANT PRINCIPAL’S REPORT

Dear Parents,

Parent Teacher Interviews were successfully held on Wednesday evening of this week. Interim Reports will be posted out to all families of students who missed this opportunity to catch up with teachers. Once you get your son or daughter’s report, it is still worth contacting your co-ordinator if you have any queries or concerns about comments or judgements that have been made.

Next Wednesday September 16^{th} is the last Vaccination for Year 7 students. Please arrange to be at school by 10am if your son or daughter appreciates extra support at this time.

**October 14^{th} – Middle School Information Night.** This is for all Year 7, Year 8 and Year 9 students and parents. It starts promptly at 7.30pm and gives you the latest information about the middle school subjects and courses available for 2016. Heath Matheson will catch up with students the next day, if they have other commitments and are unable to attend this evening.

Students are given until the 21^{st} October to get their course selections completed and returned to school, signed by their parents.

Thankyou,

Rhonda Gargan
Assistant Principal
KWONG LEE DOW SCHOLARSHIPS

The Kwong Lee Dow Young Scholars Program offers opportunities, such as free VCE revision sessions in Melbourne, to high-achieving students currently in year 10. Recipients are also guaranteed a place into the University of Melbourne provided their ATAR is over 90 and they are given some support to assist with the costs of settling in Melbourne for study at the university. Recipients are chosen by the University of Melbourne. For the past few years they have awarded scholarships to one male and one female student from our school. Students need to apply online and provide a response to each of the selection criteria by **Monday 12th October**. For more details please google ‘Kwong Lee Dow’. If you are thinking of applying please see Mr Matheson. We can help with identifying your key strengths and also need to provide an endorsement for your application.

It is worth noting that one of the criteria is community involvement and participation. It is suggested that students consider undertaking some community service, such as volunteering their time with some of our local organisations, to boost their chances of receiving scholarships.

ACCESS EDUCATION VCE EXAM REVISION LECTURES

The school is providing transport to Shepparton on **Saturday 19 September** for the cost of $23 for students to attend ACCESS lectures ($37/lecture). Please return your forms ASAP.

Other lectures ($37 each) are at LaTrobe University, Wodonga over the weekend **10th AND 11th October**. Forms are due back with payment by September 16.

APPRENTICESHIP OPPORTUNITY
